COIR SKATE SCHOOL TERMS & CONDITIONS

- We reserve the right to make class changes as deemed necessary including combining classes where there are low numbers. Class times may change term to term depending on demand.
- All payments are non-refundable. If the service or equivalent cannot be provided by the rink as a result of a governmental order the customer would have the option to have the services supplied at a later time or obtain a credit that could be used for other services at the rink, including public sessions, birthday parties or future skate school registrations. All issues regarding payments should be addressed to the Manager.
- Registrations will be accepted up to the third week of the term, subject to availability.
- Make up lessons: We offer up to a maximum of 2 make-up classes per term for all Learn to Skate and Learn to Figure Skate classes ($246).   Missed classes are made up by attending an alternative class on another day/time and must be taken during the term in which they are missed. Any unused lessons will be forfeited for that term. Additional classes are not eligible for make-up classes. Ice sports skills classes (excluding Hockey skills) may have an option for a make-up class subject to availability. All make up class requests must be emailed through to admin@canterburyolympicicerink.org.au and will be confirmed by a return email. We will do our best to accommodate all make up requests, but these are subject to availability.
